New business

- I was just wondering about scholarships Local and otherwise we were looking on edsby and there is a long list of them but a lot of them say the deadline was in 2024 ??? Found this confusing will it be updated or how does this work ? **Suggestion —a care package made up for Grade 12's on what they can do or look at throughout the year for scholarships etc deadlines. Scholarships-division is confusing because the deadline is 2024. Do students ever go to career days anymore? Is it mandatory?**
 - I have passed this on to Jason. I am thinking it has just not been updated, but I will let you know when he confirms.
- Basketball tournaments coming up Humboldt and a home tournament
 - Home tournament is this weekend (May 3 (Girls) and 4 (Boys)). We have quite a few teams coming.
- Our next event ? **Year End Bar B Que Tentative: Monday June 23rd**
any ideas ?
set a goal or dates ? **Align it with ball schedule – wait and see**
(Burgers, watermelon, bottled water)
 - **Can we get an invoice for the stove so that the SCC can pay?**
- **Discussion about some type of memorial for BT since it would have been his graduating year. Possibility of SCC purchasing furniture in his memory.**
